NEWS LETTER — May, 1984.

It is very heartening when letters arrive from old Scholars with their news and appreciation of our News letters. Please do not forget to advise us of any change of address. Helpful also, if you state the years that you attended the school.

Eric has produced a computerized list of members. This will greatly help us in the sending out of the News letters. Many thanks to Eric for his work.

Treasurer

We are once again in need of a Treasurer. There is not a lot of work involved, but it is essential that we have someone to do this job. Anyone willing to devote a few hours a year, and attend 3 or 4 meetings, please volunteer. Our thanks to Blanche Jordan, Treasurer for the past few years, and to Derek Root for the work he has put in.

Portrait

The Portrait of the late Headmaster, Mr. R.L. Hudson, painted and given by Beryl Dewhurst, was presented to the School at the 1983 Speech Day. The frame to the Portrait was given by the Old Scholars' Association. The Portrait was received by the School with many thanks and compliments.

School Notes

It has been suggested that to cut costs, Schools shall stay open later on Mondays to Thursdays and close at 2.0 pm. on Fridays. Also that School Meals should be privatised or stopped altogether. Both these suggestions have been rejected by the Edmonton School Association.

It is hoped to make greater provision for computers in the School. The originals having been installed by the co-operation of the Manpower Services Commission and the Edmonton School Association. Mr. Tony White (Maths) left at Easter to go to Southgate Technical College.

Both Junior and Senior choirs of the School took part in the Enfield Schools Music Concert, at the Albert Hall, April 12th. Both pieces sung were arranged by David Edwards, Director of Music for the School.

The season has been fairly successful. The Vets. still had chance to win the LOB Vets. Cup.

1st. XI. could finish runners up or third.
2nd XI. after disastrous start to season, now have a good chance of finishing third with possible promotion.
3rd. XI. started season well, but slipped of late, and should finish top half of table.
4th. XI. Poor season, should finish mid-table.
5th. XI. Had just failed to retain championship. Finish runners up or third.
